In 2026 Duneland Pizza celebrates **54 years** of being the Duneland area's locally-owned "hometown" pizzeria and we owe it all to you and your continued support. Our family and our many employees over those years thank you. We are proud to say that we now have 3 generations of our family working here so there is always part of our family here ensuring you get the best quality possible. That also means that there will be times we have to close for important family occasions. We will give as much warning as possible on Facebook announcing those days when they happen.

In 2015, Duneland Pizza was voted as having the **BEST PIZZA IN PORTER COUNTY** in the Northern Indiana Pizza Wars. Everyone here considers that a very special honor and we will continue to do our best to deserve and uphold that title.

Our casual dining room is decorated with a large assortment of Indiana Dunes & Lake Michigan themed antiques, paintings, photographs & driftwood that were collected in the area. In the summer (weather permitting) you can also dine on our outdoor deck.

Our original Crispy thin Crust remains our standard crust, but we also offer hand-rolled thicker crusts. They are available as "thick" which is a step thicker than our standard thin crusts or as "extra thick". Deep pan pizzas are also available in two sizes - 12" & 14". We are now also offering various Vegan pizza selections as well as a 10" Gluten Free Crust. Also, please don't hesitate to tell us if you like your pizzas cooked a certain way - crispy, browned cheese, well-done, etc. We also offer different flavors and pints of Valpo Velvet Ice Cream.

Over the 54 years we've been open, our commitment to quality has never changed. We continually strive to provide you with the best products we can and with prompt and friendly service.

For those of you that enjoy using Facebook, please take a moment to check out our Facebook page and "like" it. You will then be kept "up-to-date" on all of our latest news, photos, and promotions.

Thanks again.
